The Library facility at the Local Centre is streamlined with regular additions of technical books, papers and Journals have brought the collection to 4064 Nos. and rendered it most useful for the members and students alike. Library has become the Knowledge centre in the true sense. Request from members and students are uppermost in the mind of the committee while enlarging the library facility at the Local centre

The Guest House(7 Guest rooms) at our centre is maintained in a better condition offering best services to the members of IE(I). The occupancy rate has also improved considerably bringing in more revenue to the Centre. The LCD projector with a public address system connected to solar energy along with an Inverter & Diesel generator makes the Institution completely self reliant as far as arrangement for any programme or Lecture meetings conducted mostly in the S.P.Bhat hall of IEI, Mysore. These facilities are also offered to other professional organizations & Public Fora's to augment the resources of the Local Centre as and when the hall is vacant under the discretion of Hon.Secretary and Chairman.
